RE: NOMAD INTRODUCES THE NPF07 1/4" STAINLESS STEEL PUMP

PWR-FLO™

JDA GLOBAL LLC is pleased to announce the introduction of the NPF07 1/4" metallic pump in stainless steel. This pump unit features the new PWR-FLO™ air distribution system, with asymmetrical spindle design (ASD).

The stainless steel NPF07 is a perfect low transfer pump, with a diverse application spectrum, including chemical mixing, dosing and lab tech transfer. The NPF07 1/4" S.S. pump also features a one piece integral PTFE diaphragm, whereby the outer piston is enveloped by the diaphragm. thus reducing the number of spare parts and eliminating debris from collecting under an outer piston plate.
