## RE: INTRODUCTION OF 1/2" POLY PUMP

JDA GLOBAL is pleased to announce the introduction of a 1/2" poly pump which serves as a 100% retrofit to a leading OEM brand, with emphasis in auto and lube station applications. This intro is the first in our **SPECIALTY PUMP** product line.

The 1/2" poly model is available in bolted configuration, with PTFE and Santoprene elastomer options.

The compact size and proven air valve technology allows for inter-changeability and consistent performance.

For nomenclature and price, contact JDA GLOBAL.
